

ULTRA[®]

About Us

RAZER is pleased to present this catalogue, which shows a unique selection of genuine, high quality, long lasting Door & Furniture Locks and Fittings made from Brass, Zinc, stainless steel, Iron etc. All the products are especially chosen to complement the high standards of architecture found in homes and buildings.

Utmost quality control norms are observed and the products are tested at every stage by a team of highly skilled and trained workers to ensure the ultimate performance and durability.

We assure you that you will feel proud, by purchasing our products in the due course and get fully satisfied.
